

'Dream, Believe, Achieve'

WESTPARK PARENT VOICE NEWSLETTER

What is the Parent Voice Group?

At Westpark we currently have a Parent Voice Group that meets once a month via Teams. We work alongside the school to help bridge the gap between parents and teachers. We can have a say in how to improve how the school delivers education, shapes policies and how the school supports both children and families with learning. We also fundraise to provide pupils with discos, fun days, transport for trips, etc.

Due to current COVID restriction we cannot stage our normal events but have received some great suggestions for future events.

In order to be able to plan and run these events successfully and to help engage with the school fully we are on the lookout for new members. If you would like to be involved, please come along to our next meeting or pass your details to the school office.

Raffle

Prior to Christmas, the Parent Voice ran a raffle to help boost the funds.

Thanks to everyone who took part in the raffle. We raised an amazing £538!

This has been used to purchase the rights to the Panto that was screened in school before the Christmas holidays and available to watch on Google classroom.

Guest Speakers

During the upcoming parent voice meetings, we will have some guest speakers from various organisations who work in and alongside the school. This will give us the chance to speak about the services provided in the school.

For February meeting we will have Jo Pratsides in to tell us about her coaching work with classes & teachers and for March meeting we will have the Sunrise partnership who work with bereaved families in our school community.

If you have any suggestions for any other guest speakers please get in touch.

Dates for Your Diary
